Greetings,

After careful consideration, we have decided to postpone Beals Con until June of 2022. Due to the continuing Covid-19 pandemic, it is still not safe to host large public gatherings and there is too much uncertainty to know whether or not it will be safe to do so by this upcoming June. We appreciate your patience waiting for news from us and your interest in this event.

Due to the length of the postponement, we will be giving all our current vendors a refund. We are working with the cultural council and our performers to reschedule them either later in 2021 or for the event in 2022. More details about the event will be announced Summer 2021.

If you would like to participate or receive email updates about Beals Con, please email us at bealscomiccon@gmail.com.

Sincerely,

Alexis Chanthachack and Kayla Charlonne
Beals Comic Con Co-Chairs
